These students will be required to bring **\$5.00** to cover the cost of these agendas. **Please do NOT purchase binders**; they are not needed for classroom supplies.

Please bring all supplies at the beginning of the year to be stored in the classroom.

It is essential that students have *indoor sneakers*, especially when participating in the phys. ed program, and a *book bag*, so that school books may be kept in the best possible condition. Also, CQES promotes environmentally friendly lunches therefore we recommend reusable cutlery, straws, snack and juice containers as well as *lunch bags or boxes*.

We hope this guide will be of assistance when you purchase school supplies.

Have a wonderful summer!
